

Pakistan intelligence establishment reports that 51 foreign NGO's are indulged in intelligence gathering and terrorism in the length and breadth of Khyber Pukhtonkhwa, reported States Times. According to the intelligence out fits terminology 'Daily Situation Report' (DSR) being submitted

to President of Pakistan Asif Ali Zardari on Saturday reveals that out of these fifty one non-governmental organizations nineteen is said to be of the United States of America. The United Kingdom stood second in the report by operating with eleven Britain originated organizations. The other European countries include Germany, France, Spain and Denmark with the number of NGO's as five, three, two and three respectively.

Out of the Islamic bloc Saudi Arabia tops with seven NGO's working in Khyber Pukhtoonkhwa while the other lone Islamic country is Turkey that runs one NGO in the terrorism stricken province, Khyber Pukhtoonkhwa.

In these 51 non-governmental organizations a total five hundred and ninety two employees are working out of which eighty two are foreigners.

The report further reveals that these employees are getting lucrative salaries and fringe benefits while working under cover with the shields of different social sector services. The list however, does not include the organizations that are working under the direct patronage of the United Nations.

The intelligence establishment are unanimous that majority of these NGO's working on respective hidden agendas and posing a great threat to national security and State integration.

Officials are of the belief that intelligence gathering, recruitment of man power for secret missions and sponsoring saboteurs activities are the main task being assigned to these NGO's under an international conspiracy being hatched against Pakistan. However, the intelligence dispatch is void of any recommendations in this effect.
